As the Economic Survey had not commenced & the Mechanical Draftsman Budget had not been sanctioned, the President was informed on July 1924 that there was no need for an additional clerk & the application might be renewed after some experience was gained.

The request from the Education Cess Committee for the Cess accounts etc. In the first para of this reference the President has explained the necessity for the entertainment of the additional hand. The financial condition of the Board cannot be said to be very satisfactory. But as the expenditure is proposed to be met out of the education Cess funds, the question of appointment of hand on Rs 35 per mensem proposed is for consideration.

8 From the copies of the G.O.s put up, it will be seen that the estimated income from the Cess Collections in the Bangalore St is Rs 90,000/- per annum. The present sanctions absorb a sum of Rs 78,998/-*, leaving a balance of Rs 11,002/- for further development.

9 It is not clear from the resolution whether the clerk, if entertained will solely look after the work connected with the collection of the Cess. As the word etc is used, it is probably intended to entrust him with some other work in addition. It is also doubtful whether the work relating to the Cess will require a full time official. The expenditure may be debited to the Cess collections, only if the official is engaged on Cess work.

Sir,

B I have the honor to state that Government Order No.70-7/Fdn.241-23-15 dated 5th July 1924 directing that the post of accountant temporarily sanctioned to the Inspector General's Office on the 6th April 1924 be made permanent, was placed before the District Board meeting held on the 16th and 17th September 1924 when it was explained to the Board what amount of correspondence and accounts the office has to deal with in connection with Educational matters. It was further explained that the Conference work has also been thrown on this office owing to the abolition of Conference Clerk; that another clerk has been deputed to assist the Chief Sanitary Inspector in his work as per resolution of this District Board and also that the establishment of the District Board proper could not conveniently cope with the extra work.

The Board after mature consideration resolved that a clerk on Rs.35/- may be appointed to look after the account work &c., and the charge met out of Education Cess realised in this District, vide extract from the Proceedings of the Meeting of District Board submitted herewith.

I therefore request that sanction of Government may kindly be obtained ~~to the entertainment of a clerk on Rs.35~~ out of Education Cess realised in this District.
